

Introduction to Policing Programme

Scotland is an increasingly diverse country and Police Scotland want to represent this change.

Police Scotland is running a 3 day course aimed at encouraging people from minority ethnic communities to consider a career in policing. The course is designed to provide an insight into being a police officer / special constable.

Over the 3 days attendees will receive inputs from specialist departments, try the fitness test, visit the unique training facility and learn about the recruitment process.

The dates are:

**Craigroyston Community High School,
67 Pennywell Road, Edinburgh, EH4 4NL**
